# **R590** X-RIDER Revival BOATS

**No matter what's on your family's boating agenda,  
the new R590 X-Rider delivers**

**The new R590 X-Rider breaks with conventional boating rules and writes a few new ones in the process. Building on the bowrider concept, the twin console X-Rider distills the essence of a family day boat and stirs in equal parts ski boat and sportfisher for the ultimate boating cocktail.**

A wave-slicing 21 degree deadrise dictates a soft dry ride while the broad reverse chines ensure stability at rest and uncompromised handling at all speeds. A deep, spacious rear cockpit will accommodate all your crew or remove the rear storage seats to reveal a fishing zone that'll comfortably fish four at a time. Thrill seekers can brace themselves in the fully-upholstered bow when the captain ignites the throttle or pop in the optional casting platform insert and convert the forward zone into a casting deck for a couple of eager lure chuckers. There's underfloor storage to swallow a big day's catch or a family-load of gear as well as a hidden ski locker and provision for an optional fridge...and that's just the start!
